

RULES FOR COMMUNITY LIVNG

ADDENDUM #2

SECTION B, HOMES & HOMESITES,  
PARAGRAPH 3, EXTERIOR REPAIRS & CHANGES

Approved by the Board of Directors November 19, 2013

*This addendum replaces sections.*

3. EXTERIOR REPAIRS & CHANGES

Under the section: **The following is a partial list of restrictions on permitted alterations**

- Satellite dish receivers, antennas, and masts are permitted with preferred placement on the side or back of the house, providing these regulations and restriction do not impair the home's ability to receive signals.

Under the section: **Alterations NOT PERMITTED to a home or home site:**

- Remove the fifth bullet "Roof mounted antennas"
