Addendum #3

SECTION B. HOMES AND HOME SITES 2. STANDARDS FOR YARD APPEARANCE

This addendum replaces Paragraph 2.b

2.b Trash, recycling and yard waste is to be placed in appropriate containers and placed at curbside no earlier than five o'clock in the evening before collections days. All containers are to be promptly removed after collection. Trash, recycle, and yard waste containers may be stored outside of and adjacent to garages or carports. Containers must be visually screened following ARC requirements found in ARC Guidelines Section V, Review Required, 14.

Date Approved: July 26, 2016

SECTION C. SIGNS

This addendum replaces #1. Third bulleted item

- “Open House” signs are allowed at the home site and on common area only on the day of the open house.
