

A group of your friends and neighbors, devoted to helping those who need an assist now and then. We do not necessarily provide all the services you need, but we can and do coordinate with those who have volunteered to assist. You do not have to ask what we can do for you... just tell us what you need and we will take it from there.

**Contact: Property Manager's Office
 Resident Services Office**

After Hours. call 323-1887
